I hereby certify the electrical work described on the application shall be installed by myself in my single family dwelling in which I am living or about to occupy. All work shall be installed in accordance with the State of Michigan Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the electrical inspector. I assume the responsibility to arrange for all the necessary inspections and will cooperate with the electrical inspector.

Section 23a of the State Construction Code Act of 1972, Act 230 of the Public Acts of 1972, being section 125.1523a of the Michigan compiled laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who perform work on a residential building or a residential structure. Violators of section 23a are subject to civil fines.
